Our Beer Philosophy is simple:

The perfect accompaniment to the seasonal flavours of our menu, we search far and wide to select the best brewed beer. Currently housing Australia's premium craft beers from locals Newstead Brewing Co and Green Beacon and Balter, you'll find our beer menu changes on season as does our menu.

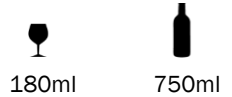

We'll always house iconic beers like Stone & Wood, and source popular brews from our usual overseas friends. It's a global landscape and you'll always find something new in amongst an old favourite at hundred acre bar.
