hundred acre bar

Whatever the time of day, the newly renovated hundred acre bar provides the perfect setting to eat, drink and relax with good company. Perhaps it's an early breakfast or a cappuccino at one of the long communal tables, pre-dinner drinks and tapas while you're comfortably ensconced in the deep cushions of The Living Room, an intimate lunch or a simple but stylish dinner overlooking the golf course. Whichever you prefer, the hundred acre bar is bound to complement your choice.

St Lucia Golf Links

St Lucia Golf Links is one of Brisbane's most renowned golf courses – it's in the top 10 golf courses in Queensland. Open to the public all year round, this iconic destination is now home to a new Golf Shop, 60 new motorised carts and Queensland's best golf simulator. With hundred acre bar and Hillstone events at the top of the hill, this landmark has transformed from a golf course into a lifestyle.

There are no membership fees, which means you can pay as little as \$23 to play. It's easy to get access to the course, with its 69 par and 5,411 meter layout that has been sculpted from beautiful land. With several holes following the Brisbane River, there are great breezes that sweep through the course on those summer golf days.
