# The Hillstone Family

This year marks an exciting milestone for founders Hans Pettersson and Jens Holland who have just celebrated their 33rd Anniversary at Hillstone St Lucia. The Swedish duo moved to Brisbane in 1988 and have spent this time sprinkling their Scandinavian hospitality all over St Lucia, opening hundred acre bar in 2005 and Saint Lucy café e cucina in 2012 - all the whilst evolving Hillstone into one of Brisbane's most well-appointed and reputable event venues.

Winning the management rights to operate the St Lucia Golf Links golf course in 2017, Jens and Hans have since embarked on a multi-million upgrade across the venue.

Saint Lucy has since left the family (sold in July 2019), with the focus now on the final development and upgrades at their primary venue. Jens and Hans's vision has been brought to life. Uniting golf, events and dining to make their house of brands one of Brisbane's most iconic landmarks.
