WELCOME TO THE HILLSTONE FAMILY

Hillstone St Lucia and hundred acre bar stand on the foundations of the homestead of William Dart, an enterprising Englishman who built the original structure you see today.

William was a wheelwright and coachbuilder who, after turning 20, decided to create a new life for himself. His solution was to immigrate to Australia in the 1850s. Within a couple years of arriving in Brisbane, he was growing cotton, bananas and a family (he had 8 children) on the Brisbane River flats. This was near where the university boatshed now stands.

Later, in the 1880s, William built a grand house for his wife and children and named it Hillstone. It served his family well until, 40 years later, when it became the first clubhouse for the Indooroopilly Golf Club. This club was the predecessor of the rooms and terraces that we still have here today. However, in 1985 the Indooroopilly Golf Club moved to Long Pocket, so the area became St Lucia Golf Links, a public golf course with its own reception centre. The original clubhouse is heritage listed along with Hillstone's Mango Tree, an iconic centrepiece and focal point of all those in attendance at a Hillstone event.

In 1986, we took over the running of the old clubhouse – only recently having arrived from Sweden. We have continually invested in the expansion and refurbishment of the buildings over the past 30 years, making it an iconic landmark in St Lucia. You can rest assured Hillstone's hospitality and ability to perfect the finer detail will ensure your wedding day is everything and more.

Congratulations on your engagement! We would be delighted to host your very special day at Hillstone, to make you feel at home and to create lasting memories for you and your nearest and dearest.
